The new collaboration between AGOA and European Journal of Gynaecological Oncology

AGOA joins hands with European Journal of Gynaecological Oncology (EJGO)!

European Journal of Gynaecological Oncology (ISSN 0392-2936, <https://ejgo.imrpress.com>) is an open access journal which provides an advanced forum for the science and technology of female genital cancers and related subjects. It publishes editorial articles in the distinguished expert series and original research papers, case reports, letters to the Editor, book reviews, and newsletters. This publication attempts to cover all aspects of obstetrics and gynecology in an interdisciplinary approach among gynecologists, epidemiologists, pathologists, oncologists, radiologists, microbiologists, surgeons, urologists, neonatologists, geneticists, and so on.

European Journal of Gynaecological Oncology is indexed by Science Citation Index Expanded, Biological Abstracts, Current Contents - Clinical Medicine, BIOSIS Previews, Scopus, Google Scholar and JournalSeek.

The benefits for AGOA members are as follows:

1. 30% discount on the article processing charges to publish in European Journal of Gynaecological Oncology
2. The possibility for the society and its members to post conferences information free of charge on the website of EJGO
3. The opportunity to become a member of the editorial board, or a reviewer of the journal
4. You may choose to help edit a Special Issue on a topic related to your research.
